Lake Management

We are wrapping up our final public review period of the Aquatic Plant Management plan for the lake.

The DNR has reviewed the draft APM plan and it is currently out for a final public review until April 3rd. The final plan will be submitted to the DNR April 5th.

Marine Biochemists have been selected to do the whole lake treatment in 2017 pending a final approval from DNR.

A permit has been submitted to the DNR to conduct a whole lake treatment in 2017.

Once the plan and permit are approved by the DNR, the whole lake treatment will take place. Tentatively early to mid-May.

Annual Meeting of Members

Saturday, April 29, 2017 at 10 a.m.

The last Saturday in April is the date set aside for the Dutch Hollow Lake Property Owners' Association annual meeting.

As is customary, we will elect three directors. Incumbents Joyce Janu and Kennan Wood will run again.

The new candidates running for election include: Nate Leonardelli, Bob Newport, Joe Leane, and Pieter Van Zyl.

The Nominating Committee has worked hard to get candidates, so that members have a choice.

Official meeting notice and ballots have been mailed. If you can't attend the meeting please vote by mail.

Hope to see you there!

Lifeguards Needed

Looking for part-time lifeguards for the 2017 summer season.

Recertification class will be available before season.

Interested? Please call 608-985-7294.

Pickleball

As soon as the weather allows, pickleball court lines will be added to our tennis courts.

Because a pickleball court is smaller than a tennis court, we will be able to mark 2 courts over one tennis court.

Passes to play pickleball will be the same as a tennis season (or hourly) pass. \$40/season per family, or \$5 per court hour.

Are you new to the sport? We have volunteers who are willing to instruct and play!
