Lake Management

The Aquatic Plant Management Plan has now been approved by the DNR! To read, please go to the website: www.dutchhollowlake.org under Lake Management.

Herbicide concentration (the water testing that is done after the Lake weed treatment) is now complete. We are awaiting the final results.

Please remember we are still under emergency slow no wake. On 7/19/17 we received an additional 6+ inches of rain, and water ran over the spillway. Slow no wake will remain in effect until the Lake level drops. At that time we will send notification via email and Facebook.

Due to these high water circumstances please use docks, beach, boat landings with extreme caution.

Clean Boats Clean Waters: Please sign up for August 5th or 6th to inspect boats at the boat landings this helps ensure future health of our lake. This program educates boaters about aquatic invasive species.

Play hard.
Have fun.
We're here
if you need us.

Playing it Safe

Hello everyone. The Dutch Hollow Lake Board members hope everyone is having a fun and safe summer here at the lake. This is obviously the busy time of the year which means there is a lot more traffic on the roads, vehicles, pedestrians and bicyclists. Drivers, please be aware of hikers, runners and bicyclists especially on the turns where the visibility is limited as well as road space if you are contemplating passing them.

As for the bikers and pedestrians we recommend wearing bright clothing for better visibility. If you are walking or running you should try to stay on the side of the road where you are facing the oncoming traffic. This will allow you to see what is ahead of you instead of what is coming behind you. Always be aware of your surroundings and be alert.

Thanks, and have a great summer here at Dutch Hollow Lake.

Riddle Fun!

What 4-letter word can be written forward, backward or upside down, and can still be read from left to right?

It's Race Time!

Who's gonna win the Lake to Lake Challenge, Dutch Hollow or Lake Redstone?

Dutch Hollow Lake is hosting the fifth annual DHL 5K Run & Lake to Lake Challenge on **Saturday, September 2nd at 8:00 a.m.**

The event will include a competitive 5K, Family Fun Walk/Run, and Kids Races.

Lake to Lake Challenge: The Dutch Hollow Lake runners challenge The Lake Redstone runners to see who has the fastest team. The overall record is Lake Redstone 2 wins, DHL 2 wins. Let's take home the trophy again this year!

Race entry will include T-shirt, goody bag and refreshments following the race. We will have awards following the race.

Race proceeds will be used toward the protection and preservation of both Dutch Hollow Lake as well as Lake Redstone.

refunds after this date).

FAQ!

When do I need a building permit?

A DHL permit is required for any structure. Examples: new home, garage, deck, shed, waterfront dock, fence, retaining wall.

It is your responsibility to check what is required at the County and Township levels.

See our website for DHL application forms.

Figure Drawing Class

Every Monday beginning July 31st

Clubhouse 1 p.m.

Learn to draw the human figure. Once you know the proportions, it's pretty easy!

Bring:

- A couple pencils (not very sharp)
- A decent ruler
- A ruler
- A few sheets of computer paper or a sketch book if you have one
