## Lake Fair

Saturday, June 3rd from 9 a.m. to 2:30 p.m. Dutch Hollow Lake & Lake Redstone are partnering to help property owners better understand how to support our lakes.

A day full of fun! Pontoon rides, kids fishing contest, rain simulator, recycle art, informational seminars, shoreline preservation and much more!

Lake Fair presentations: Rainfall simulator 10 to 10:30, Lake ecology 10:45 to 11:45, Fish ecology 12:15 to 12:45, North American Cranes 1:00 to 1:30, Take A Stake In Your Lake 1:45 to 2:15.

Come join the fun! This event is free.

## Lake Management

As you are probably aware, the Lake level is very high. Which puts us under **emergency slow no wake**. We will remain on slow no wake until the Lake level decreases. (At such time, notification will be sent via email, Facebook, and our website.)

We have started putting Association docks in; with the high water it is taking more time and materials to get them installed safely

Weed treatment: the final plan remains at the DNR, we are waiting for approval. We anticipate Marine Biochemists will be treating the lake in the next two weeks.
